## Burnhope Community Centre Update – Summer 2021

Hello everyone!

This is the first ever issue of Burnhope Community Centre's update. We hope everyone is well and staying safe. Everyone will know that the last year and a half has been very up and down, with the centre opening for some activities then closing again, then people isolating – it's been very stop-start and we are hoping that is the last of it. Fingers and toes crossed!

We have lots of things to tell you about and hopefully we have a group that you will be interested in but if not please get in touch and we will look at setting up more groups.

### Groups and Project Development

**Burnhope Bairns** is our new toddler and pre-school group. Its off for the Summer but starting again in September. Run by Heather Galloway and Cindy Brockington, two of the centres Trustees and both experienced in running toddler groups, it's off to a brilliant start. By week three we had 17 children and 11 adults attending – wow!

Thanks to our Burnhope Bairns funders - Karbon Homes who gave us £2947 and Langley Wind Farm (via County Durham Community Foundation) who gave us £1947.

County Durham  
Community Foundation

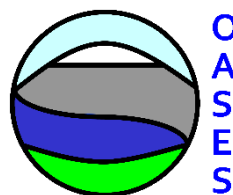

Mid Durham AAP gave us a grant of £720 for our **Healthy Teddy Bears Picnic** which took place on 2 June 2021 – this was a great event for the community however due to covid-19 restrictions we only had so many places.

The AAP has given us a further £720 for our **Burnhope Playout Event** which will be held on 5 August 2021 from 9am – 1pm – breakfast and lunch included. Please go to our website to book or call 01207 780382.

Thanks to our friends at Mid Durham AAP for the funding

Family and Kids activities provided by
